

Institute for Spiritual Development Treasure Coast Annual Membership Application 2022

ISDT Membership is offered to those who regularly attend Sunday services or Healing Circle *and* who wish to make ISDTC their Spiritual Home. As a member, you will be given the opportunity to join like-minded people as you honor your personal spiritual beliefs, join committees and share your gifts, talents and knowledge. As a member, you will receive discounts for classes and events, with all the ISD Charters in the U.S when offered.

We have two expectations of those who have chosen membership in our Spiritual Community: One is that members pledge their financial support — in whatever amount feels comfortable. You can fulfill that pledge weekly, monthly or annually, and the amount you have pledged is never made public. Please see Pledge form for more information. We are a registered nonprofit 501c3 and your support is considered a tax-deductible contribution.

The second expectation of membership is the members *share their special gifts and service* to the Institute. Ways of sharing your gifts, serve on one or more of ISDTC’s volunteer teams: as an usher, Music, Fellowship, Healing Committee, Fundraising, as Reader for Sunday Services, Special Events, or serve on the Board of Directors. Your opportunity for involvement in your Spiritual Home, to participate and contribute is endless. This is a “We” Community!

Date: ***(Membership is from November 2021 to January 31st of Calendar Year 2023)***
